After meeting with the faculty sponsor, faculty supervisor, or faculty monitor, the students involved, and the person making the written complaint, if a violation is substantiated, the school administration may do any of the following:

Allow the club's original statement of its purpose, goals, and activities to be modified to include the activities if they are in compliance with the provisions of this policy and other applicable laws, rules, regulations, or District policies;

Instruct the faculty sponsor, faculty supervisor, or faculty monitor not to allow similar violations in the future;

Limit or suspend the club's authorization or school facilities use pending further corrective action as determined by the school administration; or

A club that has been terminated may not reapply for authorization until the following school year.

A student who makes a false allegation or report under this section shall be subject to school discipline.

Each completed application or complaint shall be approved, denied, or investigated by the school administration within a reasonable amount of time.

If an application is denied or a complaint is verified, written reasons for the denial or results of the investigation shall be stated and, if appropriate, suggested corrections shall be made to remedy the deficiency.

Each club that is denied school facilities use shall be informed at the time of the denial of the factual and legal basis for the denial and, if appropriate, how the basis for the denial could be corrected.

If a club is denied, suspended, or terminated, the applicant has ten (10) school days from the date of the denial, suspension, or termination to file a written appeal to Nebo School District's Elementary Education Director or Secondary Education Director, as applicable.

The Elementary or Secondary Director shall issue a determination within a reasonable amount of time from receipt of the appeal, which decision is final and constitutes satisfaction of all administrative remedies unless the time for evaluation is extended by agreement of all parties.
