

INFORMATION

1. All fees listed are the maximum amount that may be charged per student for each class or activity. Actual amounts charged may be less.
2. No fee may be charged that is not listed on this fee schedule.
3. Each fee listed in this schedule includes a third-party payment processing charge that must be listed in the spend plan.
4. Money earned through an individual fundraiser reduces the amount a student pays toward their fees. The total funds paid by a student cannot exceed the fee, and all earnings from an individual fundraiser must be applied to reduce the student’s fee, with any surplus used as described in [Policy KAC, School Fundraising Activities](#).
5. Any payment for student participation in a class, program, or activity is a fee and is subject to the fee waiver requirement. For information on fee waivers and other details, contact your school administrator.
6. All students are responsible to pay for any loss or damage they cause to school property. Loss or damage is not subject to the waiver requirement. These costs are considered nonwaivable charges. Official transcript may be withheld if loss or damage costs are not paid in accordance with [UTAH CODE ANN. §53G-8-212](#).
7. Donations are permissible, but requests must clearly state donations are voluntary. A student may not be excluded from an activity or program because they did not donate.
8. All requests for overnight/out of state travel must be approved and comply with all requirements outlined in [Policy IICA, Student Educational Travel](#).
9. The maximum a high school student may be charged per year is \$7,000.
